## 45 LANDFILLS RECEIVE SOLID WASTE MANAGEMENT AWARDS FOR ENVIRONMENTAL COMPLIANCE

**T**he Louisiana Board of Certification and Training for Solid Waste Disposal System Operators presented outstanding Solid Waste Operators and Environmental Compliance Awards for Solid Waste Landfills during the Louisiana Department of Environmental Quality's Annual Conference on Waste and the Environment held recently in Lafayette. The Louisiana Board of Certification and Training for Solid Waste Disposal System Operators, which is made up of representatives from parish and municipal governments, the solid waste disposal industry and the National Solid Waste Management Association, selects the individuals and facilities that receive these awards.

**Frederick G. Williams** received the 2000 John Koury Memorial Award for Outstanding Level A Solid Waste Operator. Fred, a graduate of Southern University, is the Superintendent for the City of Shreveport, Solid Waste Division, Office of Public Works, Department of Operational Services. Fred oversees solid waste collections for the City of Shreveport and Bossier City, a 435 acre landfill site that includes a 40 acre composting facility, a drop off/buy back recycling center and 16 satellite recycling centers.

**Stanley Watts** received the 2000 Outstanding Level B Solid Waste Operator Award. Stanley, a graduate of Lawton, Oklahoma Prep Program, has worked as a heavy equipment operator for Waste Management – Woodside RDF since 1991 and has been a major benefactor in the success of Woodside RDF.

**H.M. "Mike" Strong** received the Bentley B. Mackay, Jr. Award of Merit. The award was created in 1997 to honor solid waste professionals who have provided outstanding service and mentorship and displayed continued interest and enthusiasm for improving the industry. Mike, a graduate of Texas A & M University, is the Director of Operational Services for the City of Shreveport and during his 25-year career, has made significant contributions toward improvements in the area of solid waste management.

Compliance awards for 2000 were also presented to the following landfills, which are owned and operated by parish governments unless otherwise noted:
